### Daniel, Chapter 2

"And in the days of those kings the God of heaven will set up a kingdom which will never be destroyed, and *that* kingdom will not be left for another people; it will crush and put an end to all these kingdoms, but it will itself endure forever." (Daniel 2:44)

## God's Outline of World History

Any good history book will give you the following outline of world history which, except for the dates, God foretold through the prophet Daniel 2,500 years ago:

**"You continued looking until a stone was cut out without hands, and it struck the statue on its feet of iron and clay and crushed them. Then the iron, the clay, the bronze, the silver and the gold were crushed all at the same time and became like chaff from the summer threshing floors; and the wind carried them away so that not a trace of them was found But the stone that struck the statue became a great mountain and filled the whole earth." (Daniel 2:34,35)**
