# Daniel, Chapter 7

## The 'little horn'

“While I was thinking about the horns, there before me was another horn, a little one, which came up among them; and three of the first horns were uprooted before it. This horn had eyes like the eyes of a man and a mouth that spoke boastfully.” Dan. 7:8

- that had eyes and a mouth that spoke boastfully
- this horn was waging war against the saints and defeating them
- He will speak against the Most High and oppress His saints
- try to change the set times and the laws
- The saints will be handed over to him
- for a **time, times and half a time.**
