

## UNFULFILLED PROPHECIES

**“The following are some only of the principal predicted events yet to be fulfilled. A Prince will confirm a seven years’ covenant with many Jews – under this covenant, the Jewish daily sacrifice will be restored – their sacrifice will be taken away, and the abomination of desolation will then be set up in the holy place – the great tribulation will then begin, and continue about three years and a half – the apostasy or the “falling away” of 2 Thess. 2:3, will occur during this great tribulation – in connection with this, the Man of sin, the Antichrist, will be revealed – false Christs and false prophets will rise! In short, all of our Lord’s great prophetic discourse from Matt. 24:15 and onward, and nearly the whole of the Book of Revelation are yet unfulfilled – not to mention many other parts of both Testaments! The largest number and the most wonderful of the unfulfilled prophecies, will be fulfilled within less than four years of this gospel age or Christian dispensation. From the setting up of the abomination, 1290 days, (not years), will include all “these wonders!” (Dan. 12:6) But I must not fail to mention the greatest, beyond measure, of all the unfulfilled events, which is **THE SECOND COMING OF CHRIST!!!!**” ~ P.S.G.
